---

**A Resolution to Create a Student Senate Legislative Review Committee**

**Whereas,** the Lorain County Community College Student Senate represents all students, and

**Whereas,** the Lorain County Community College Student Senate represents all students to the college as a whole, and

**Whereas,** the primary outlet of student representation to the college as a whole that the Lorain County Community College Student Body utilizes is the Student Senate, and

**Whereas,** the Lorain County Community College Student Senate President is empowered to create committees by virtue of the Student Senate Constitution and By-Laws, and

**Whereas,** the Lorain County Community College Student Senate President is empowered to appoint members to serve on said committees by virtue of the Student Senate Constitution and By-Laws, and

**Whereas,** there are many concerns and issues that the Lorain County Community College Student Senate is committed to working on for the student body and for the college as a whole, and

**Therefore, Let it Be Resolved,** that the Lorain County Community College Student Senate President shall create an ad-hoc Student Senate Legislative Review Committee to research, organize, and write legislation to submit to the Student Senate addressing such concerns and issues that the Lorain County Community College Student Senate is committed to working on for the student body and for the college as a whole, and

**Let it Further Be Resolved,** that this committee shall meet bi-monthly and be comprised of no fewer than four delegates, of which there shall be no fewer than three Senators, and at least one member from the college faculty or administration, and

**Let it Further Be Resolved,** that, due to the serious implications of writing in legalese, suggestions for legislation to be considered by this committee are to remain in suggestion form to be then researched and written in resolution form by the committee rather than be submitted to the Student Senate in resolution form, and

**Let it Further Be Resolved,** that legislation resulting from this committee must be voted on and passed on the floor of the Lorain County Community College Student Senate, and

**Let it Further Be Resolved,** that the chair of this committee shall be primarily responsible for submitting and speaking for all such legislation to the Student Senate.
